### PLANNED GIVING AT ST GEORGE'S CHURCH

St George's Church Singapore is entirely funded from the donations received from the congregation. We are grateful to God for meeting all our needs as a Church and for all the faithful giving of our church members and supporters. At least 20% of income is pledged each year to support the work of our mission partners in Singapore, Southeast Asia, South Asia and even further afield. 10% is used to support the work and ministry of the broader Anglican Diocese in Singapore. The balance is used to support the work of St George's, the preaching, discipleship, evangelism, community care and other ministry programmes as well as meet the operational and staff costs; and provide maintenance for the church, grounds and the facilities.

The Parochial Church Council, elected by the Church members, meets regularly and is responsible for the financial management and administration of St George's Church, and is supported in this by the Finance Committee and the Honorary Treasurer, working closely with the full-time Finance and Administration team. The accounts of the Church are audited annually and adopted at the Annual General Meeting which is open to all members of the church.

If you are not already supporting the Church financially, and would like to do so, may we encourage you to think and pray about Planned Giving. This is an amount of money that you decide to give regularly to the work of St George's, and can be done either through cash or cheque placed in the offertory bags at regular Sunday services, or electronically via standing order, or bank transfer, to the St George's bank account.

Please see overleaf for more details.

Yours in Christ,

Revd Canon Dr Lewis Lew  
Vicar
