St. George's Church Sanctuary, 44 Minden Road S248816

THE ST. GEORGE'S CHURCH
Redevelopment Project

St. George's is an Anglican church and home to an international congregation of about 600. Those who have visited our church before will likely have experienced the wonderful cultural diversity in our congregation community, as we are represented by almost 40 different nationalities.

Our church's mission is to glorify Christ by living and proclaiming His gospel in Singapore and beyond, and loving and caring for all in His name.

As years have passed, our church property is in need of redevelopment. We currently renew a short-term lease every 5 years. In conjunction with plans to secure a long term lease of 30 years to allow us to invest in the future, we plan to rebuild our facilities to include a multi-storey block alongside the main sanctuary building. The new facilities will provide us increased capacity for outreach, community care and catering to our myriad of ministry activities from toddlers and families to youths and working adults, to seniors and elders. Given the major components of securing a long lease tenor as well as the building construction element, the redevelopment project will require significant investment, currently estimated to be around S$24 million.

We are excited thinking about the ways in which our church can better serve our local community and beyond. The Music Concert Fundraiser Series is a St. George's Church effort to raise funds for the redevelopment project.

Your voluntary free-will giving today will go a long way in helping us achieve our goal.

MESSAGES FROM OUR TEAM

“

St George’s Church has been a constant in my life since I was born, a place of worship, reflection, and grounding. It’s where I’ve come to know God more deeply through music, prayer, and the warmth of the community. Being part of the music ministry, from youth services to now singing in the main service, has been a privilege and a joy. I’m deeply thankful for how this church has shaped my faith and continues to be a place of peace, belonging, and grace.

“

We relocated to Singapore during the pandemic, a challenging period marked by social isolation. Missing our family and church back in Sydney, we discovered St George’s Church, which became a true answer to prayer. This welcoming community has offered us a spiritual home where I love serving, learning, and enjoying meaningful fellowship. I feel incredibly blessed to be part of this church.

Natalie Craig, Singer

”

“Having been baptised and raised in St George’s for large parts of my life and in more recent years served in various ministries around church, I can say that St George’s has built me up into the person I am today, with a strong foundation based on the Gospel of Christ.”

Jonathan Marshall, Singer

“St George’s found me in one of the hardest seasons of my life and met me with open arms, kindness and love. What began as a place of refuge quickly became home. Through the people here, I’ve discovered a church family that uplifts, encourages and walks with me in faith. St George’s grounds me in the present and draws me gently into the presence of God, reminding me of His peace and His purpose. Being part of the worship team has been one of the greatest joys of my faith journey, a way to give back to the God and community who have given me so much.”

Sky Thompson, Singer

“Our journey began at St. George’s, where Xinyao and I, as a new married couple, sought a place to root ourselves in. We were privileged to grow and serve alongside a God-loving community—a diverse melting pot of people from all over the world. Their warmth and reflection of our own origins made us feel instantly at home and welcome.”

Gavin Raharjo, Guitarist

“St. George’s is a new beginning for me. Gavin and I were looking for a church we could call home together, and we found that at St. George’s. We got married here, and it has become a special place where we’ve grown together and served alongside a loving and welcoming community.”

Xin Yao Nie, Sound Engineer

“It was the sincerity and acceptance of the people at St. George’s that touched me when I first visited, 7 years ago. I was at a low point in my life but I felt people genuinely cared for and welcomed me. Today, St. George’s feels like my church family. I have been immensely blessed and pray that this church will continue to bring others to Him.”

Kelvin Ma, Pianist

“St. George’s is my spiritual family, a beacon of God’s teaching and a supportive community that unites people from all walks of life and backgrounds.”

Yong Bin Tan, Guitarist

“

6 years ago, I moved to Singapore alone and found St. George’s Church. I feel welcomed and enjoy the fellowship here. I receive the amazing grace God and people provide for me, and I hope to bring blessings to the community as well.

”

Grace Yu, Drummer

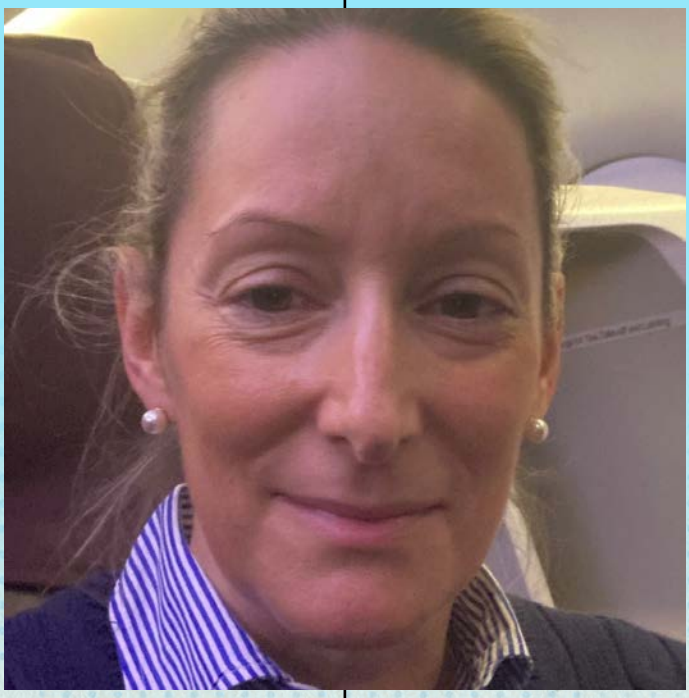

“

St George’s Church - where I find spiritual food, re-grounding and perspective on the big picture of life. It is where I meet with, and am encouraged by, fellow travellers in my service of Christ and where I endeavour to help them in theirs.

”

Colin Newbery, Sound Engineer

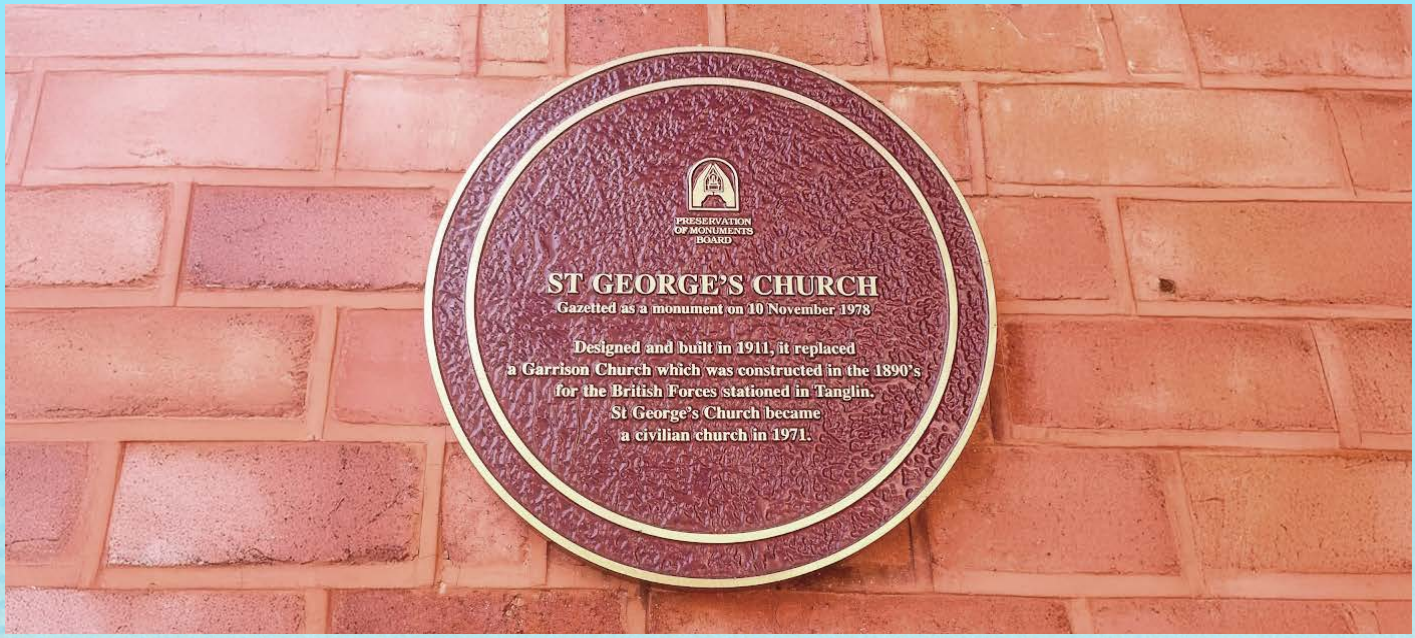

“St. George’s Church is a place where my love for music and my faith come together in a meaningful way and with like minded people. Being an active member of the music ministry, a regular singer in the Sunday 8.00am Service, and a Sunday School teacher, gives me a sense of purpose and belonging. The church community feels like an extended family, supporting and encouraging me both spiritually and musically. Each Sunday, sharing music with the congregation deepens my connection to God and to others, making St. George’s a truly special part of my life.”

Lucinda Riis-Johansen,
Concert Committee Member

“Since accepting Christ at 14 years old, my journey with the Lord has led me to St. George’s Church in the last 2 years in unexpectedly joyous ways. In the same way that God has been faithful to me, I, too, hope to be faithful in serving the community in the little ways I can.”
